

YOUR HOME IS OUR BUSINESS

ABOUT US

HR Estate Agents is a network of experienced, dynamic and transparent local estate agents with a track record of success in your immediate area. We aim to provide a first class service to give you the best possible experience when buying or selling your home. Our agents in the field are some of the best in their field, and are dedicated in achieving the best possible sale price for your home.

HR Estate Agents operates on a no sale, no fee structure with NO upfront costs – our success is result driven. The fees we charge are competitive with all estate agents depending on what package and service you require. Professional marketing comes as part of our standard no sale, no fee package. This will be discussed during the initial valuation, and together we will decide which level of marketing is desired in order to achieve the best possible response and interest on your home.

You will have peace of mind that the HR Estate Agents agent you have selected will be the only person managing the sale of your home. Your agent will be dealing with incoming enquiries, arranging viewings, negotiating your offers and chasing the agreed sale through to completion. Our HR Estate Agents agents offer a 24/7 personal service, and our sales hub is available to offer extra support between 8am-8pm Monday – Sunday.

THE VENDORS JOURNEY

Selling your home can feel like a complicated and stressful task. Our HR Estate Agents Agents aspire to make the journey of selling your property a hassle free experience. Our Agents will guide you through the four stages of selling your home to ensure the smooth sale of your property.

HOW THE SALE PROCESS WORKS

Agreeing the Sale – All of our buyers will be pre-qualified for peace of mind. This means all relevant financial checks and budget plans will be completed before negotiations begin. Once the offer has been accepted, we will prepare the sales letters and send them to the appropriate solicitors.

Completion of Your Property – Your HR Estate Agents Agent will be on top of your sale and be in regular contact with you, the seller. Once a completion date has been agreed, your HR Estate Agents Agent will arrange for key collection and handover to the new owners. After the property has completed, all that's left to do is leave your HR Estate Agents Agent a review via Trust Pilot to let us know how you found your selling journey!

MORTGAGE AND FINANCIAL SERVICES

MORTGAGE ADVICE

At HR Estate Agents we offer free financial advice over the phone or face to face from an experienced local advisor. Every offer we receive will be pre-qualified by one of our advisors, so that our vendors can have peace of mind before negotiations even start.

This advice can help with budget planning as well as getting to know the ins and outs of the financial side of the process. Our financial advisors have access to 100's of lenders and can make sure you have got the best possible deal out there.

LEGAL SERVICES

Here at HR Estate Agents we work in partnership with one of the biggest conveyancing companies in the UK. Premier Property Lawyers have expert advisors to make the process as stress free as possible. Your HR Estate Agents agent will work closely with your dedicated conveyancer and will be able to assist in everything related to the sales process. Premier Property Lawyers offer a No sale, No fee package – giving you peace of mind that no charges will be incurred unless you move!
